

LiftShare at Bury Care Organisation (BCO)

Available for all colleagues, Liftshare offers another way of reducing your fuel costs, increasing your chance of getting a PermitSmart hospital car parking permit and reducing your own carbon footprint.

Potential locations for LiftShare parking spaces

The following locations are where dedicated Liftshare parking spaces will be available. You must confirm your sharing journey in the app in order to park in a space.

Boost points in your PermitSmarti parking application

By committing to Liftshare, staff, students and volunteers can all gain extra points in their criteria score when applying for their PermitSmarti parking permit application. See questions when making an application.

For more information on parking, including details on the PermitSmarti application process;

On the NCA website see [Staff, volunteer and contractor parking :: Northern Care Alliance](#).

On the NCA My Hub see [Staff Parking - Latest Updates :: Northern Care Alliance](#)

Uploading Liftshare proof documents for PermitSmarti

To prove Liftshare membership as part of your PermitSmarti hospital parking permit application, upload an email or screenshot from Liftshare that confirms your registration and provides your Liftshare Team ID details for sharing a journey. For example, 'Team #2527048964'.

In case of emergency

When a Liftshare driver is unable to provide return journey due to unforeseen circumstances – **and there are no other options for return travel** – a taxi can be made under the NCA taxi policy.

Check the 'Taxi Policy NCAE001(18) V2' on the NCA Policy Hub. Within policy, see Document Summary, plus section 5.6 for the booking process – line manager or director approval is needed.
